

Second Hand Clothing

Recycle your good quality school uniform items! Hannahs Uniform Shop will sell your uniform items on a consignment basis.

What you can do to help your items sell

- Ensure all items are *freshly* laundered and ironed.
- Ensure Blazers and Kilts have been *freshly* dry-cleaned.
- Present the items to be sold on coat hangers.

Please note that any old logo clothing, or any uniform items which are worn, stained or torn will not be accepted for resale.

Labelling

You will need to label **every** item you wish to sell with your details. This will assist the Uniform Shop staff in allocating the proceeds of the sale to your Hannahs account. Labels are available from the uniform shop and the main reception.

Please complete the label with the following information and attach it to the garment:

- Your surname
- Your Customer Code (available from your Hannahs receipt or by telephoning the uniform shop)
- The garment description e.g. Junior School Dress
- The size of the garment
- Any noticeable faults

When the item sells

Once the item of clothing has sold, Hannahs receives a selling commission of 25%. The remaining 75% is returned to you to be used to offset your next uniform purchase. The “credits” are updated regularly and can be checked by looking in the green folder at the register.

If you have left the school

If you are no longer in the school please ensure that the uniform shop receives your forwarding address. Any uniform sale proceeds will be forwarded by cheque.
